

RTCM Annual Update Meeting (Virtual) Registration Now Open!

Registration is now open for the **RTCM Annual Update Meeting including the 2021 fall meeting of the GMDSS Task Force Meeting**. The meeting will begin at 10:00 AM EDT on both days, Wednesday, 29 September and Thursday, 30 September.

Please register for either meeting day or both by [clicking here](#) and completing the short online registration form. Registration is free and will help us accommodate a larger number of attendees. Registration is required for the GMDSS Task Force meeting and will serve as a virtual sign-in sheet. Upon submitting your registration, you will be emailed the appropriate “join” link.

For those unable to receive active hyperlinks, you may copy and paste the following into a web browser (chrome is recommended) to register.

The program and details for the 2-day event has been posted [here](#) and can be found at www.rtc.org by hovering over the “Meeting and Events” tab and selecting the “2021 RTCM Annual Update Meeting” or by copying and pasting the following into a web browser: www.rtc.org/2021-rtc-annual-update-meeting

The agenda and registration information for the 2021 Beacon Manufacturers Workshop (BMW) has also been posted. Please note that the BMW Workshop is scheduled for October 4th – 5th and requires separate registration.

A link to all program and registration details may also be found on our website www.rtc.org in the **What's New Section**. If you have questions or need additional information feel free to contact us at info@rtc.org. We look forward to seeing you at the virtual meeting!

*Note- If the registration form fails to load, copy and paste the registration link into a private or incognito browser or clear the web browser cache and try again.
